Raising children is tough and seemingly getting tougher every day. There are many challenges and other opportunities that compete for their attention. Many times we wonder what happened, we used to have so many young folks and now we don't have many teens or young adults. Too often they find acceptance in other avenues and church loses.

This coming Wednesday we have an opportunity to show our support and appreciation for our young folks. They will lead the worship here at North End. They work hard and leave their comfort zone to come here and guide us in our worship. We need to be here and support their effort for two reasons:

Reason number one, the future depends on strong young Christians. We cannot afford to lose these folks. Our children are the future for our grandchildren and for the church of tomorrow. Do not let this be the generation that "Knows not the Lord nor the things He has done" for us (Judges 2:10).

Reason number two, many times we go places to get something not to give something. This is entertainment. We are not here to be entertained but to worship. Worship is what we have to give not to get from someone else. Hebrews 10:25 says that one of the main reasons we are to assemble is to encourage one another all the more. It is not very encouraging for our young men if attendance is low because they are leading worship. That is very discouraging and will leave the church devoid of leadership tomorrow.

Be here at North End this coming Wednesday and encourage these young Christian men who are working to become better and learning to lead the church. We will all be better off when you are here.

Cova Ferrebee had an appointment with a heart specialist and they felt no surgery was needed at this time and she would be treated with medication and a special diet.

John Rader had exploratory surgery in Pittsburgh on May 25th, there was not an update on John when the bulletin was printed.

Connie Hickman, mother of Kristy Kimes, remains in Camden Clark Medical Center, she will be going to a rehabilitation facility soon.

Donations Needed: Ohio Valley Christian Youth Camp is asking for help through donation of supplies so that the registration fee for campers can be held at a minimum. The following items are needed and can be placed in the barrel in the foyer. Please have them to the building by June 1st.

3 - 64 oz. cans of peaches or pears
1 gallon of pancake syrup
2 - 64 oz. cans of Ragu spaghetti sauce

Ohio Valley University has requests for their international students who will arrive on campus in August. There are several ways you can help, if you are interested, pick up one of the letters that's located on the table in the foyer.

A Direct Influence

If from the abundance of the heart the mouth speaks, and one can be known by the quality of the fruit produced, then it is reasonable to conclude that both the words spoken and the deeds done are indicative of the person's heart. People are able to see this and judge. People of maturity can understand this, but people full of sin (or self) are quick to point out that one—especially one guilty of sinful behavior. It is interesting that these are the same people who look upon the Lord and faithfully proclaim they would NEVER deny Him, but their lives have denial written all over them. The deeds we do, the words we speak, and the thoughts we think reflect correctly on (or against) the Lord's influence on our lives.
