BE THE CHANGE

John 2

In a movie I once watched a man was asked, “What does it take to change?” The man’s answer was, “Time, I need time to change.” Time helps, of that there can be no doubt. Change also requires a driving force, something with significant motivation or will to make a new person. That is a good definition of power, the ability to bring about change.

What is the greatest power in the universe? Gravity is not, although it is powerful. It is not the force of weapons mankind has produced, not even weapons of mass destruction or chemical/biological warfare. Those have the ability to kill the body and not the soul and Jesus says not to fear those things. God is the greatest power in the universe. Consider this:

In John 2 Jesus changed the nature of 120 gallons of water (to wine)

The human body is roughly 60% water

That makes me roughly 20 gallons of water or one of the water pots Jesus changed

Since He can simultaneously change 6 pots of water each holding 20 gallons at one time it stands to reason that He can change my nature as well. My nature was sinful and lost. He changed me to righteous and saved. All because He has sufficient power that He is able to change me.

Just Trust

To help your hopes
From turning to dust,
To aid your plans
From gathering rust,
To keep your dreams,
From going bust,
The simple plan is:
You just must trust.
