WE'RE HERE!

It seemed like this time would never get here, but it finally has arrived. We are here and excited to be working side-by-side with each of you. We are thankful for all the help we have received to this point. Many of you were at our house until the late hours of the night getting our property from the moving truck into the house. Many have brought food and snacks and visited with us. We are all thankful for the warm reception and kind words that have been spoken.

Beginning next month I would like to meet each family in the congregation. To that end I have placed a sign-up sheet on the table in the foyer with nights and times to be filled in. Please pick an evening time that would be best for you and I will come by, with an elder, and pay a visit to you so that I can get to know you better. Also, please consider our home open to you. We look forward to having company and fellowshiping with Christian brothers and sisters.

If there is ever anything I can do for you, please do not hesitate to let me know and I will do my very best to help. I take the title "minister" seriously. A minister is a servant of others and that is what I intend to be. Jesus set the example of ministry when He washed the feet of His disciples in John 13 and instructed us to do likewise. Not necessarily insisting that we wash the feet of others but that we tend to the needs of those around us and help them in whatever way possible. We each are ministers in this respect and I look forward to the opportunity to serve you as we work together to help each individual member here at North End grow closer to Christ.

"Just as the Son of Man did not come to be served, but to serve..." (Matthew 20:28)
