BE STILL AND KNOW

Psalm 46:10

The world moves around us in a flash. James says that life is like a vapor that appears for a short time and vanishes away (James 4:14). We get so caught up in schedules, ballgames, social engagements and family crises that we forget to slow down and live our lives. We easily forget the source of blessings and Christ is not taught to our neighbors, and even worse, our children.

God wants us to “Be still and know” that He is God. Slow down and take time to know God. Let the world billow around you and take time out from it to study God. See the magnificence He created in nature. Know His divine truth by spending time with it. We give work 40 or more hours per week. We give our children’s schools 10 or more hours per week. Give God’s word time, not of the left over but of the abundance God has offered to you.

Know that He is God so that He will be exalted among the nations of the earth. When you get back to the life you paused to spend time with God take Him with you. As you live your busy life of soccer mom and doting dad, be a Christian who is engaged in those activities. When you work for your employer, be a Christian employee who remembers the lessons learned in study and applies them to your occupation or hobby. Take His magnificence with you into your life’s endeavors so that your light is shown to the world and brings glory to the glorious king of earth and heaven.

Be still from the hustle and bustle of worldly life and get to know God. Take the things you know about God and use them in your life in the world so that He can infiltrate the hearts of worldly people and spread His glory. Let God have His time, which is every hour of every day.
